

Lidozall

72835-004-01

Lidozall 2 gram packet

- **Pre-measured doses** ensure patients apply the correct amount to affected area for accurate dosing
- **Single-use packets** simplifies application and convenience for patients
- **Optimize sterility** and eliminate risk of contamination with disposable packets

Indicated for: Temporary relief of pain and itching due to minor skin irritations.

Typical prescribing directions: For adults and children two-years or older: Apply 1 packet (2 grams) topically to the affected area(s) up to 4 times daily as needed for pain. Do not use more than 4 packets (8 grams) per day.
